6. One of the earliest secular narrative texts in German, Lambrecht's Alexanderlied Song of Alexander displays its affinity with the biblical epics by the repeated comments drawing attention to places mentioned in the Bible, and yet the author also compares Alexander's battle against Duke Mennes with that fought by heroes of oral poetry, Hagen and Wate, on the Wolfenwerde in Kudrun called the Wulpensant and with those described in the songs of the Trojans. In practice, the literary culture of the period spans and unites the religious and the secular domains in a manner that is not self-evident to the modern student.
