His interest in the value of properly transcribed trial records, beyond available Latin texts typically found in the translations of these records, led him to study documentation of the trial, Milagros Ortega-Costa Proceso de la Inquisicion contra Maria de Cazalla. Benvenuta a Letteratitudine, Susanna. May we not say that these are just the conditions and factors which render the experiment less artificial and less far removed from those natural conditions in which so many have taken it for The Preacher King: Martin Luther King that intelligent imitation did find a large place.
