About Plagiarism instead invites students and teachers to  
engage in deep, critical discussions about a complicated topic  
in ways that are both accessible and intellectually  
challenging. The foremost representative of this trend was  
Volodymyr Vladko, who is hailed as the Dean of Ukrainian  
science fiction by Soviet critics. The German editions have  
beautiful covers, for those of you who care about that as much  
as I do; I loved both books and they are available for  
borrowing from my personal library; Link Reply.
