## **Political Power and Economic Inequality: A Comparative Policy Approach**

In tackling it, care needs to be taken to distinguish between education and schooling-for although education can occur in schools, so can mis-education, and many other things can take place there that are educationally orthogonal such as the provision of free or subsidized lunches and the development of social networks ; and it also must be recognized that education can occur in the home, in libraries and museums, in churches and clubs, in solitary interaction with the public media, and the like. Atto Secondo.
