The goal was to prevent attacks from the sea, given the fear of the return of the Crusaders.

## **True Crime II: More Tales of Murder & Mayhem (True Stories by Readers Digest Book 6)**

The mnemotechnic power of place, argues Quintilian, is so persistent that when we revisit a location we can even remember what we were thinking about when we visited this place sometime in the past: When we return to a certain place after an interval, we not only recognize it but also remember what we did there, persons are recalled, and sometimes even unspoken thoughts come back to mind. I had trained my mind to know pornography as my primary coping activity.
