It is possible that the redundancies in the folk material prompted the pivotal role of repetition in Les Noces; in any case, Stravinsky favoured repetition, even sought after it as a formal device that he had already put to good use in other works, The Rite of Spring being but one example. And from this scientism was born the wearying and highly distracting creationist-Intelligent-design wars. He also mentions seeing an unfamiliar masked man among the Emblian soldiers, but the army has little time to think on the masked man's identity before a group of Emblian soldiers approach. Just months afterwards BP was handed the lead role in the consortium of western companies which now dominates the oil business in the region. Stay in Touch Sign up.
